Foreword

MAY I INTERRUPT THIS STORY TO SAY A FEW WORDS ABOUT THIS CASE? IN MY OPINION, IT IS ONE OF THE MOST BAFFLING CASES I HAVE EVER HAD (IN FACT, IT IS THE ONLY ONE I EVER HAD).

A CLASS DISAPPEARED RIGHT FROM UNDER THE NOSES OF THE TEACHERS AND IT IS MY JOB TO FIND IT.

DO YOU WANT TO TAG ALONG?

Dedication

Miss Priscilla Guckes

It is with great pleasure and deep respect that we dedicate the 1952 Harborian to Miss Priscilla Guckes.

Miss Guckes has been to many of us not only an exemplary teacher, but a wise counselor and a true friend. She has indeed enriched the lives of her students throughout the years.

In her 24 years of teaching she has proved herself a credit to her chosen profession, and an asset to any faculty. Her untiring efforts in behalf of her students could never be repaid by us, but we would like to express this token of our appreciation and gratitude.

The Growing Township

The 1950 Census shows a population of 7475 for Harbor Creek Township. This causes Harbor Creek to change from a Fourth-Class to a Third-Class School District, effective July 7, 1952. It is estimated that our total population is now over 8,000. With approximately 1700 pupils and 60 teachers, we are continually expanding to meet the demands this problem presents. All must work together in this rapidly growing township.

SENIOR CLASS

JOHN ALLEN

A boy who truly likes to work,
John is a champion worker.
In Ag, we have found,
There's no one like him around.

CAROLYN ANDERSON

So reserved and dignified,
Quiet as a mouse,
Carolyn's future is all set,
She's found herself a spouse.

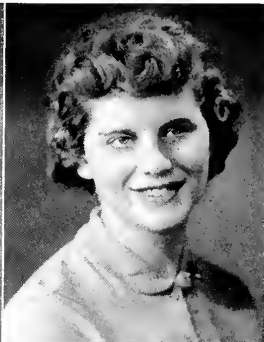

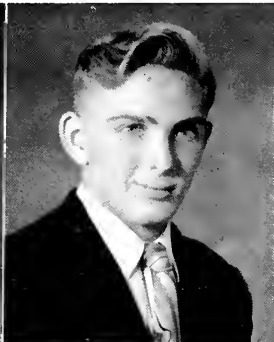

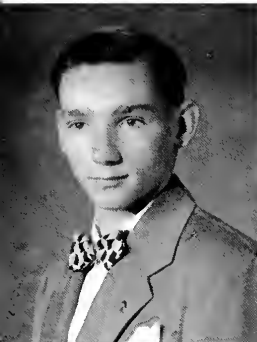

WILLIAM AMANN

Just ask a certain belle
Who thinks that he is swell.
A happy-go-lucky kid is he;
A success in the world we'll all agree.

PATRICIA BENDIG

Happy-go-lucky,
With plenty of pep,
When she's on the dance floor
This gal's really hep.

RUTH BENSEN

With a happy smile,
And a friendly "Hello,"
She'll make many friends,
Where'er she may go.

DAVID BEALS

Some day a mechanic he hopes
to be.
That's something he is looking
forward to see;
He keeps his car running great,
Lookout, girls, that's his bait.

NELLIE BRADY

Take a pound of friendliness,
Add a speck of glee,
Plus a barrel of neatness —
That's Nellie to a tee.

RUTH BORK

Tall and stately is our Ruth,
She dresses in good taste,
She makes the best of every-
thing,
And does not her time waste.

RICHARD BUTERBAUGH

Now Dick is a lad of interests,
Hunting and fishing and such;
And football, say of all the
sports,
He likes this very much.

ALICE BRETZ

We're proud to have her in our
class,
We hold her in esteem,
And as an athlete she's the best.
We're glad she's on our team.

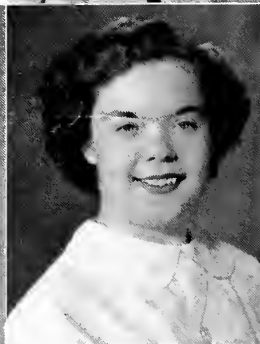

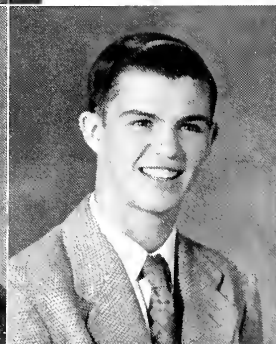

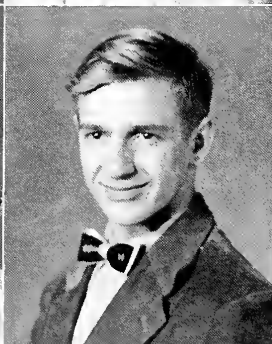

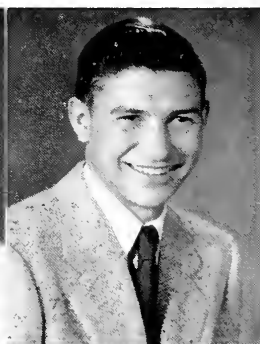

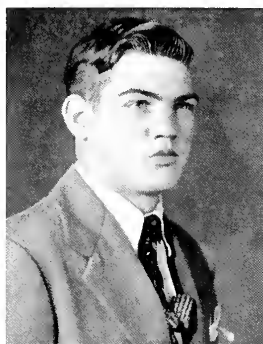

JEAN BRETZ

Nice to know,
A quiet lass,
We're proud that she's
One of our class.

PHILIP CASS

Another asset to our class,
That's what we call Mr. Cass.
In baseball that ball he did
smack it,
That's how he earned his mono-
gramed jacket.

JEANETTE BUTLER

She was the Concord Grape
Queen,
On sports she's really keen,
She's been a swell cheerleader,
And always backed the team.

ROBERT COBURN

This lad hails from H. H. School,
In P. O. D. he snores,
Someday he might join the crew
But right now he's just sliding
through.

RICHARD CHILCOTT

In homeroom he was quite the
guy,
In football through him they
didn't get by,
So we can breathe a great big
sigh,
Because "Chili" is really a darn
nice guy.

DONNA CHERVENKA

Donna's so tiny,
She hardly is seen,
Just to be happy
Is her fondest dream.

ROBERT CONNERS

Bob Connors' fond of cars,
But not at all of relics,
And worst of all, his Pet Peeves
are
The guys that are smart alecks.

WILMA CLEAVER

"Be sweet to all"
Is the rule she has followed,
Dependable and steady,
This girl's really solid.

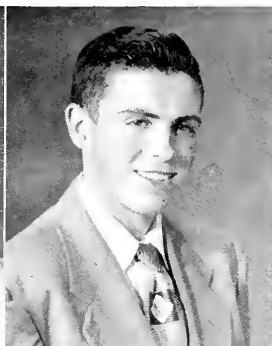

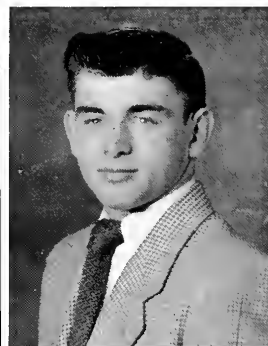

ROBERT COREY

Scholastically, Bob did fine,
And in sports he did shine.
Around the girls he was rather
shy;
We'll all remember him as time
goes by.

MARGARET COATES

A dancer and a ready wit,
She loves to entertain,
Her clever acts of mimicry,
Will surely bring her fame.

SONYA DOMINIK

She's very fond of music,
A member of the band,
Has always shown her willing-
ness
To lend a helping hand.

LUCILLE DOUGAN

She's already set her course
On the sea of married life.
May her days be filled with joy
And never any strife.

PAUL CRANDALL

Our genial talent show MC,
A star someday he hopes to be.
Paul was broader minded than
most of us;
He was a guy in which we could
put our trust.

ARLENE EASTMAN

This girl can mislead you,
At first glance she's shy,
Then you discover that
Gleam in her eye.

—★—

RONALD COTTRELL

Ronnie sure is going places,
Doing things he sure thrives;
In a garage someday he'll be
The head man, just wait and see.

—★—

MARJORIE FOSTER

When Maggie leaves,
We'll always fear
That no more loud
Bass Drums we'll hear.

—★—

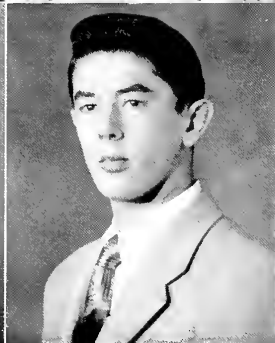

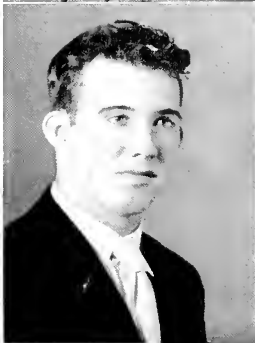

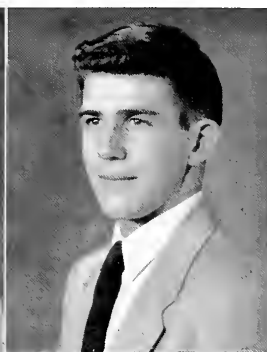

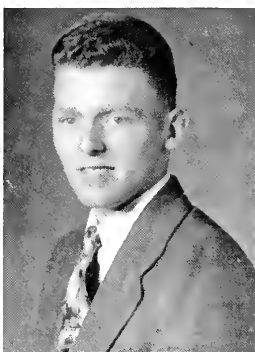

INA FREELAND

A very good worker,
As a friend, she's sincere;
She's one of our number
We'll always hold dear.

—★—

ROBERT DERDA

In the "Senior Play" he had his
fun,
It seems he never got his work
done.
On him, Nancy used her taming
whip,
And now he works at a faster
clip.

—★—

PHILIP DOUGAN

In football he was among the
best,
He says someday he'll travel out
west.
Along with him you can be sure
he takes
That little gal to bake his cakes.

—★—

MARILYN FREEMAN

With a cheery smile for every-
one,
She goes along her way.
She doesn't make a bit of fuss,
And hasn't much to say.

—★—

RICHARD EAGLEN

In HHS you'll find —
Only one of his kind.
As a jokester he's the best —
"Ask him the rest."

—★—

SARAH FREELAND

This girl's a sure bet
For getting things done,
When she's in the driver's seat,
Things really hum.

—★—

GRANT GREGORY

Grant is a new boy
At Harb High,
He gets along very well
With every single guy.

MARIAN LAINEY

Curly hair,
Dimpled cheeks, a twinkle in
her eye,
You're sure to take a second
look
When Marian passes by.

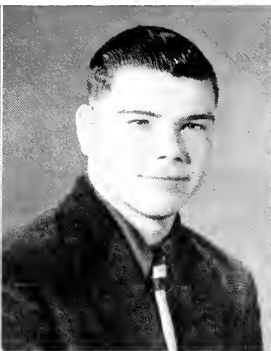

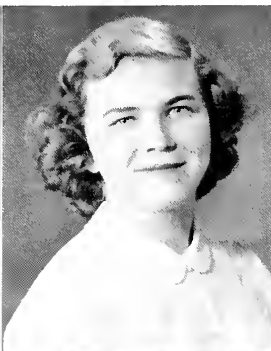

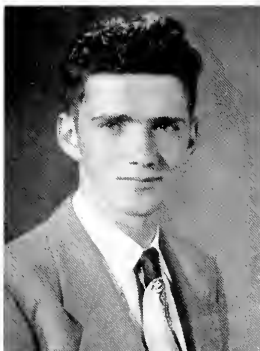

SAMUEL HARCOURT

Cool and quiet he was to us,
Always something about which
to discuss.
He was often seen working on
a car,
As a mechanic we predict he
will go far.

MARIANNE LEONARD

The career she has chosen
You can easily see,
She wants for a husband,
A good wife to be.

GARY HARPER

In sports he was a "Mighty
Mite,"
Short in height but a lot of fight
Always an asset to our team,
"Rivots" was always on the
beam.

MILDRED LORE

She has a reputation,
For acting as she should.
She never gets in trouble,
Because she's always good.

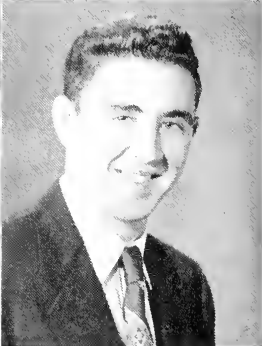

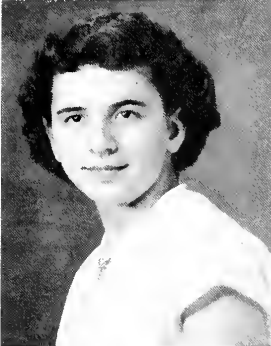

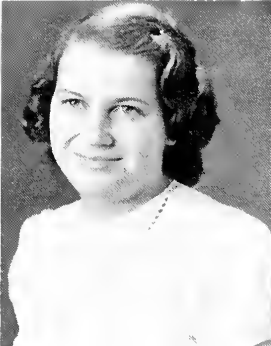

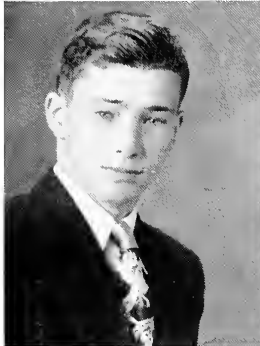

MARGARET MAZUR

An angel of mercy
She's hoping to be.
Her patients will love her,
That's sure as can be.

THOMAS HOLLARN

In schoolwork this boy did fine
And he surely did shine,
We'll always remember his curly
hair
And that he and Janice made
quite the pair.

—★—
JANICE GRENDER

This girl's so shy and modest
That she hardly is discerned.
The smartest girl within our
class,
Is the title she has earned.

—★—
KENNETH FOSTER

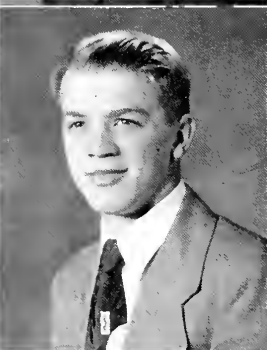

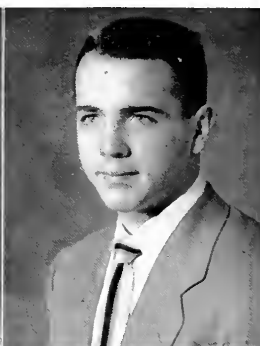

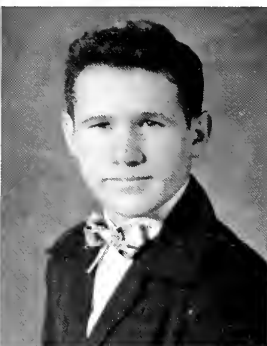

He's dressed in Blue
With the rest of the crew.
Kenny is quite a wit.
With all the girls he makes a hit.

—★—
JANICE HOLCOMB

A good job as a stenographer
Would fill her desires,
Some boss will be lucky
When this girl he hires.

—★—
WILLIAM GAY

Bill Gay is his name.
This is how he won his fame,
Playing sports with the Greatest
of Ease,
"Make em" together, if you
please.

—★—
ALBERTA JEFFERY

With a cheery smile for every-
one,
She goes along her way,
She doesn't make a bit of fuss,
And hasn't much to say.

—★—
KENNETH GOLDSBY

Ken is a guy who likes to eat,
The way it's done is quite a feat.
The girls love him one and all,
He likes them either short or
tall.

—★—
KAY KITCHEN

In the Gym Capades, Kay was
supreme;
And her voice in the Chorus was
a dream.
She served us well in the Senior
Play;
And we'll all miss her when she
goes away.

—★—
FRANCES KUSTER

A leader and a student,
This girl is really tops.
She could do anything,
But it would never flop.

**MARGARET McEVOY**

She doesn't make a lot of noise,
 She's stylish and she's neat,
 A sweeter girl than Margaret
 You couldn't hope to meet.

**LOUIS HESCH**

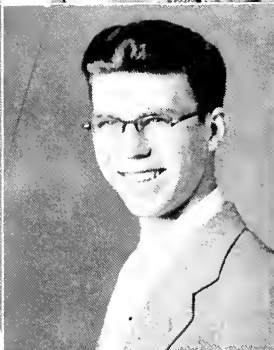

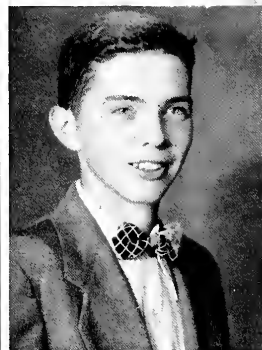

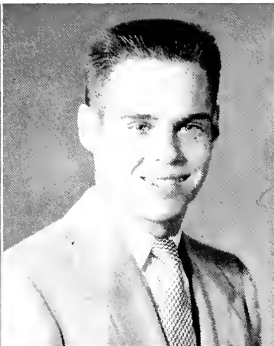

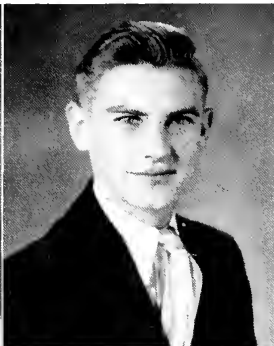

Hotshot surely likes to drive,
 Going places he will thrive.
 In a garage someday he'll be
 Fixing autos, just wait and see.

**JAMES HUME**

Jim in football was a star,
 We're sure in the future he'll
 go far.
 With the girls he was quite shy,
 But they always sighed when he
 went by.

**ELSIE McQUEENEY**

A brunette, slender, and petite,
 Busy and efficient,
 But now marital plans she has,
 Her talents have been spent.

**IRVING KRIEDER**

In the summer he likes to swim,
 Chases women and makes you
 grin.
 Not a care or a worry —
 To leave school he's in a hurry.

SHIRLEY MOYER

Shirley is ambitious,
 She likes to knit and sew,
 And her pleasant disposition
 Makes her very nice to know.

RAYMOND LEGGE

In the FFA he got his start,
 But with his farm he will part.
 Quite the Casanova is he,
 Some day a mechanic he will be.

CECELIA MURPHY

As dependable and capable,
 As anyone you'll find,
 And very, very nice to know,
 She's always sweet and kind.

JANET NEFF

A really swell student,
This girl's really tops,
No matter what she undertakes,
It never, ever flops.

NORMAN MERCHANT

Norm has talents galore,
Could anyone ask for more?
To you we can only tell
That everything he does, he
does well.

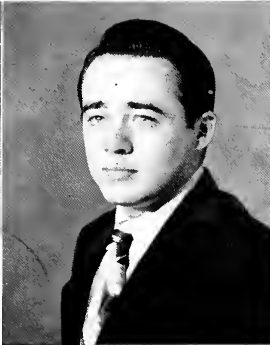

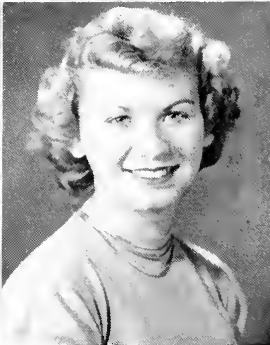

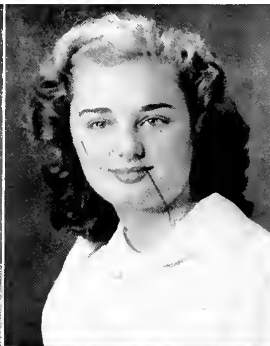

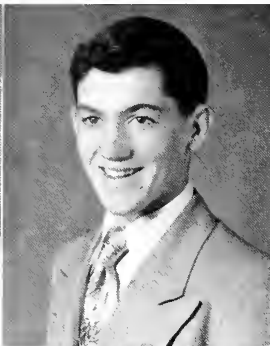

CHARLOTTE NELSON

Just gaze at this Miss,
With a delicate air,
She's shy and petite,
And has pretty blonde hair.

SHIRLEY NIELSON

Another lovely of our class,
She dresses to perfection,
We all admire her lovely singing,
And beautiful complexion.

DONNA RATHMELL

Her genial good nature
And soft spoken voice,
Makes this girl a standout
By popular choice.

NANCY NONOMAQUE

A darling girl
With charming ways,
And hair of shining gold,
She's also some dancer,
On her we're really sold.

LESLIE NEELY

Leslie is a busy lad,
In athletics he isn't bad.
In our Orchestra he played three
years,
And for his talent in our shows
he gets three cheers.

ELEANOR PLANEAUX

Nursing is her chosen work,
We think she'll do it well,
We like her smile, her shining
hair,
In fact we think she's swell.

★—

RONALD ORTON

Editor of the Highlights was he,
And a farmer some day he hopes
to be.
We think nothing more may be
said,
Except that maybe some day
Carol he'll wed.

★—

BETTY SMITH

We offer a toast
To this Miss so beguiling,
No matter what happens,
She always keeps smiling.

★—

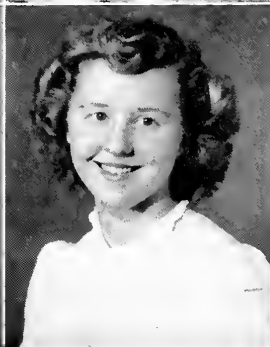

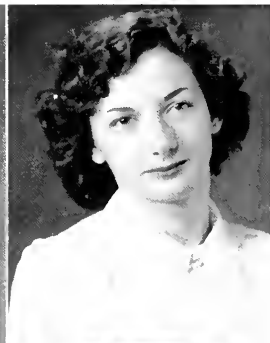

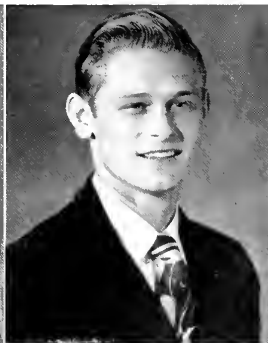

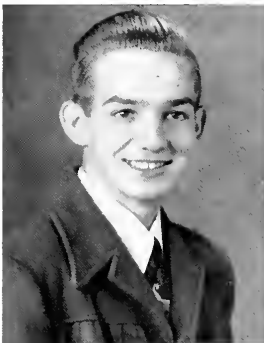

RICHARD PETERMAN

Now you take "Pete" for fun
galore,
He has it without measure;
Girls glimpse his smile and long
for more,
With them he's quite a treasure.

★—

JOAN TOMAT

Joanie is cute,
She's happy-go-lucky,
She's a whole lot of fun,
And that is just ducky.

★—

RONALD SHARPE

Ron was short according to
height,
For his size he was quite the
might.
He left us early in the year,
And Uncle Sam is deciding his
career.

★—

BARBARA SOBOLEWSKI

She left us once,
But couldn't stay.
We're glad she's back
For graduation day.

★—

DONALD SNYDER

In sports our Don was a wonder,
He always liked to hear the
crowd's thunder.
Many times he's been in a
pickle,
Because with the girls he was
rather fickle.

★—

DONNA WOOD

Versatile Donna, accompanist for
all,
Life with her is never dull.
Talented, witty, efficient, and
pretty,
Popular Donna, she's really a
ditty.

★—

★—

★—

★—

JAMES SONNEY

Joe will surely go far;
In football he's a star,
And when it comes to dancing
feet,
He's the one that can't be beat.

JOAN WEBER

She is quite efficient,
At anything she tries;
She's full of pep and energy,
And has pretty blue eyes.

OLIVER WHALEY

Football was Ollie's one desire,
He always hit the opponents
with fire,
He seems to lose some of his
fight,
Whenever that gal Suzanne is
in sight.

JOYCE VERDONI

A friendly "Hi,"
Two dancing eyes, a smile upon
her face,
Because of these and all her
charms,
The world's a happy place.

DOUGLAS MOORHEAD

Best of all his likes, I'm told,
"Doug" likes to eat —
Storing cargo in his hold
Must be quite a feat.

The Senior Class

Beginning our Senior Year we elected our class officers, with Joe Sonney as President; Bill Gay, Vice-President; Dick Chilcott, Treasurer; and Alice Bretz, Secretary.

Our representatives to Student Council were Marian Lainey and Bob Derda.

Some of the activities sponsored by the Seniors were our Talent Show on February 6; the Rag Time Strutters Ball on December 21. The annual Senior Play was presented on November 16, entitled "The Big Potato." We also had charge of the concession stands at the football and basketball games.

The boys were well represented in the various sports activities. Many were stars on the football field, basketball floor and the baseball diamond. The girls were also well represented in cheerleading and cadets.

On the whole, this year has been highly successful for the Seniors of 1952.

Senior Play

Sitting (l. to r.): Joyce Verdoni, Janice Grender, Paul Crandall, Sonya Dominik, Joan Tomat, Patricia Bendig.

Standing: Ronald Sharpe, Douglas Moorhead, Robert Derda, Ronald Orton.

A man of big ideas. Aaron Butterfield, who finally gets one he can't handle. Our Mr. Butterfield has many ideas, but never has one caused so much trouble as "The Big Potato" caused.

Aaron Butterfield, played by Paul Crandall, Emma Butterfield by Janice Grender, Janie Butterfield by Joyce Verdoni, Tommy Carlton by Bob Derda, Gramps by Doug Moorhead, Aunt Sophie by Sonya Dominik, Mrs. Terwilliger by Pat Bendig, Banker Lushbags by Ronnie Orton, Belle by Joanie Tomat, and Mike Edwards by Ronnie Sharpe.

This play concerns a potato contest, worth five thousand dollars, and everyone throughout the country, even England, was out to get the prize Aaron Butterfield had promised, but didn't have. As time progresses, everything, including Janie and Tommy's romance turns out to a happy ending.

Junior Class

We, the Junior Class of '52, started our school year with the election of class officers and Student Council members, who were as follows:

President	Connie Renner
Vice President	Sam Garwig
Secretary	Joyce Frank
Treasurer	Gwen Bell
Student Council	Shirley Meyers Marlin Reynolds

Our first project of the year was the making and selling of programs at the football games. This was very worthwhile and added money to our treasury. Our Talent Show was next on the agenda, and was based on the memorable theme, "Let's Do It Again." Many activities followed, including our Junior-sponsored Skating Party. Lastly, we had the thrilling honor of "putting on" the Annual Spring Prom! Many happy faces were seen amidst the filmy dresses and fragrant flowers.

Many Juniors were well represented in all sports, while others enthusiastically cheered them on as Cheerleaders, Twirlers, Band Members, and Cadets. The year '51-'52 has been a very successful one for us and we leave it as . . .

THE SENIOR CLASS OF '53!

The Cheerleaders, both Sr. and Jr., boasted new uniforms this year and received many compliments from the spectators.
